# FOREWORD

This busy, bright school year has come to its eventful close, and the lazy, summer days that seemed so far away last September are nearly upon us. Almost before we knew it, the fall's crisp days, filled with the sound of corridor chatter, the cheers of football games, the music of the Homecoming Dance, were gone and winter was here, bringing snow and rosy faces, basketball and wrestling and school days in full swing. And then, just as we had settled to sweaters and heavy coats, winter melted into spring and the fever hit us all. Baseball came into prominence, final exams faced us, and the prom and graduation were here and gone.

So the seasons sped by, and we too made great strides. We welcomed many new faces, both among the faculty and our students, installed a language laboratory, and, on the lighter side, organized several new clubs. As individuals, we grew wiser and more mature, learning many valuable lessons not only in our studies, but in human relations.

Our progress this year, our steps toward adult life, will not be forgotten, for they are a part of us and a part of Evergreen Park High School. The yearbook staff has made sure that they are a part of the 1960-61 ETA PI CHI, its members sincerely hope that this book will serve as a lasting reminder of a wonderful year.

## MR. JOHN MC CARTHY

### COUNSELOR, TEACHER

A sight long familiar to the eyes of all Evergreeners is a pair of caramel-colored earth-grippers padding along the halls. We hardly think it necessary to add that the feet they encase belong to Mr. McCarthy.

For seven years any student in need of a job, counseling, or just understanding has found in him a kind and willing friend. He is well-known for his sense of humor and adherence to fair play in addition to his worth as a teacher. What student can ever forget the haphazard diagrams and all those seemingly disconnected words and phrases scattered so liberally over the blackboard that somehow always served so well to illustrate a particular point. It can truly be said of him that he makes history come alive and brings warmth and humor to his other duties.

So it is that with great affection and respect the yearbook staff dedicates the 1961 ETA PI CHI to a man most deserving of our praise, Mr. John McCarthy.

# BOARD OF EDUCATION

SCHOOL BOARD MEMBERS — Left to Right: James DeYoung, Richard Thornbury, Mrs. Mark Jehn, Secretary; Edward Sykora, President; John Stafford, Emerson Cordes, and Kenneth Wilzbach.

Evergreen Park High School has much to be proud of in having an efficient Board of Education which sees and understands the needs and wants of the school and the student body.

Members of the administration as well as staff workers have appeared before the Board to tell what has been accomplished.

A new statement on rules, policies, and procedures of the School Board has recently been completed. The Board has also finished a site development program, purchased a wrestling mat for the physical education department and a pipe organ for the auditorium.

## P.-T.A.

*"Progress thru united effort."*

The P.-T.A. had a number of very interesting programs planned around their theme for the year, "Progress Thru United Effort." Their aim was to help parents understand and get along with their teenagers better. On February 21, for example, three round tables discussed "The Teenager and the Car," "the Teenager and Money," and "The Teenager and the Prom." May 16th brought foreign exchange students from the Southwest suburban area to the P.-T.A. to talk and answer questions. Every program of the year proved to be very informative.

P.-T.A. OFFICERS Left to Right: Mrs. Theodore Matray, Treasurer; Mrs. Welton Gorsuch, Vice-President; Mrs. Roger Nelson, President; Mrs. Walter Olson, Recording Secretary; Dr. Marshall Batho, Second Vice-President. Not shown is Mrs. Eva Stroh, Corresponding Secretary.

Arthur Vanderlaan, School Education Chairman; Frank Jelke, Scholarship Chairman; Mrs. Leonard Pazucha, Membership Chairman; Leonard Pazucha, Budget and Finance Chairman, and Mrs. Robert Loving, Publicity Chairman form part of the Executive Board of the P.-T.A.

DR. MARSHALL G. BATHO  
*Superintendent*

The work of the classroom teacher is the heart of the school. The purpose of school administration is to set up cooperatively conditions under which teachers can teach and pupils can learn with maximum effectiveness.

With the above objectives in mind, the Superintendent and the Board of Education work together in determining the general policies and the management of the total high school program.

A special effort has been made this year to inform the Board and the public about the work that is being done in our high school. A series of public relations forums were instituted. Members of the staff and administrators appeared before the Board of Education to present facts and to be questioned about the total program.

After seven years of service as Superintendent of High School District 231, one thing seems very clear — the parents and citizens of Evergreen Park want the best possible educational opportunities available for their children. We at the high school pledge our best efforts toward making this ideal a reality.

# ADMINISTRATION

WAYNE B. CRAWFORD  
*Assistant Superintendent  
and Business Manager*

In the two years that Mr. Crawford has been at Evergreen Park High School he has endeavored, as part of the group effort of the faculty and school board, to make Evergreen the best school possible. By designing and supervising the building of additional facilities he has saved our school many sums of money and has reorganized the budget to a point that long-range plans are now a regular feature of every department. Currently he is working on plans for an addition to the present school building which will include a larger dining area, classrooms and remodeling of offices. With the cooperation of the students and the faculty, Mr. Crawford is striving to make Evergreen a school that the community can be proud of.

# ADMINISTRATION

ROBERT RIPPEY  
*Administrative Assistant*  
*Director of Instruction*

Evergreen Park High School is very happy to have Mr. Rippey back after a two-year absence. Besides teaching college algebra and analytic geometry, he is presently undertaking the duties of the Director of Instruction. He will keep our scholastic program up-to-date with the newest methods in teaching and the latest trends in course content. Mr. Rippey is also the sponsor of the Radio Club and the Math Club.

LOIS SKILLEN  
*Director of Counseling*

A warming smile and a zeal for guidance are the perennial trademarks of Miss Skillen, who is our Director of Counseling. She gives much of her time to helping students pick the college which will give them the best education possible, but still meet their financial needs. In addition to her counseling activities, Miss Skillen also teaches a class in psychology. Many senior students will remember the encouragement that Miss Skillen gave them in their senior year.

PAUL JENKINS  
*Administrative Assistant*  
*Director of Attendance*  
*and Management*

The new post of administrative assistant in charge of student attendance and management is capably filled by Mr. Jenkins. With the help of several faculty members he has created an awareness of good citizenship in the students towards their school. Since he is co-sponsor of the Student Council, and its affairs, Mr. Jenkins has a close contact with the student body. He also teaches advanced biology and coaches the frosh-soph baseball team.

# OFFICE PERSONNEL

This year we again have a very efficient and cheerful office staff. Their combined efforts help to keep our school running smoothly.

The current staff is comprised of Mrs. Kathryn Jennings, Miss Bernadette Jozwiack, Mrs. Margaret Fordham, Mrs. Hazelmae Cochran, Mrs. Jean Wagner and Mrs. Carolyn Benko.

Mrs. Jennings acts as secretary to Dr. Batho.

The paying of the bills is handled by Miss Jozwiack, Mr. Crawford's secretary.

Mrs. Benko assists in the library as clerk.

Mrs. Fordham does an excellent job as the counseling department secretary.

Mrs. Cochran is the friendly office receptionist and handles the attendance records.

Mrs. Wagner works as a part time book-keeper.

Mrs. Wagner and Miss Jozwiack pause in their work to give their ever ready smiles.

# CAFETERIA STAFF

The cafeteria staff at Evergreen Park is always busy, from the time they arrive at ten o'clock until, having washed the last dish, they leave at two. Their varied menus, which require so much time to plan and prepare, are always delicious. And even if a student only buys milk, he can always be sure of fast service with a cheerful smile.

Mr. George Armbruster, cafeteria supervisor, discusses a bill with a food supplier.

## CUSTODIANS

The custodians are responsible for cleanliness and general repairs in the building. Evergreen has 127,000 square feet of building and 20 acres of land to maintain. However, the custodians can always find time to help students with locker problems or teachers with classroom rearrangements.

Art Roller, our head custodian, checks list of daily duties.

The cafeteria staff is composed of Margaret Rosner, Clara Levenger, Alice Kerkstra, Lena Pelligrino, Mary Sokota, Rose Dorl, and Helena Creaney.

When noontime comes, the walk-in refrigerator is emptied of its store of salads and desserts. In a few minutes a crowd of hungry students will descend on the cafeteria for lunch.

Here is our busy night crew, made up of Harold Johnson, Al Zuidema, Anthony Pakula, and Henry Brink.

Art Roller talks over a problem with Peter Bult, Glenn Meyer, Joe Slomkowski, and James Mikesell.

Watching all the girls go by . . .

You're making me blush

Abandon all hope, Ye who enter here.

Young, innocent, and ecstatic.

Here she comes, Miss America

Miss Yearbook ----

You stepped out of a dream.

Help these girls go to college.

Oh, How I wish again, I were in Michigan, Down on the farm.

# THE YEAR AT EVERGREEN

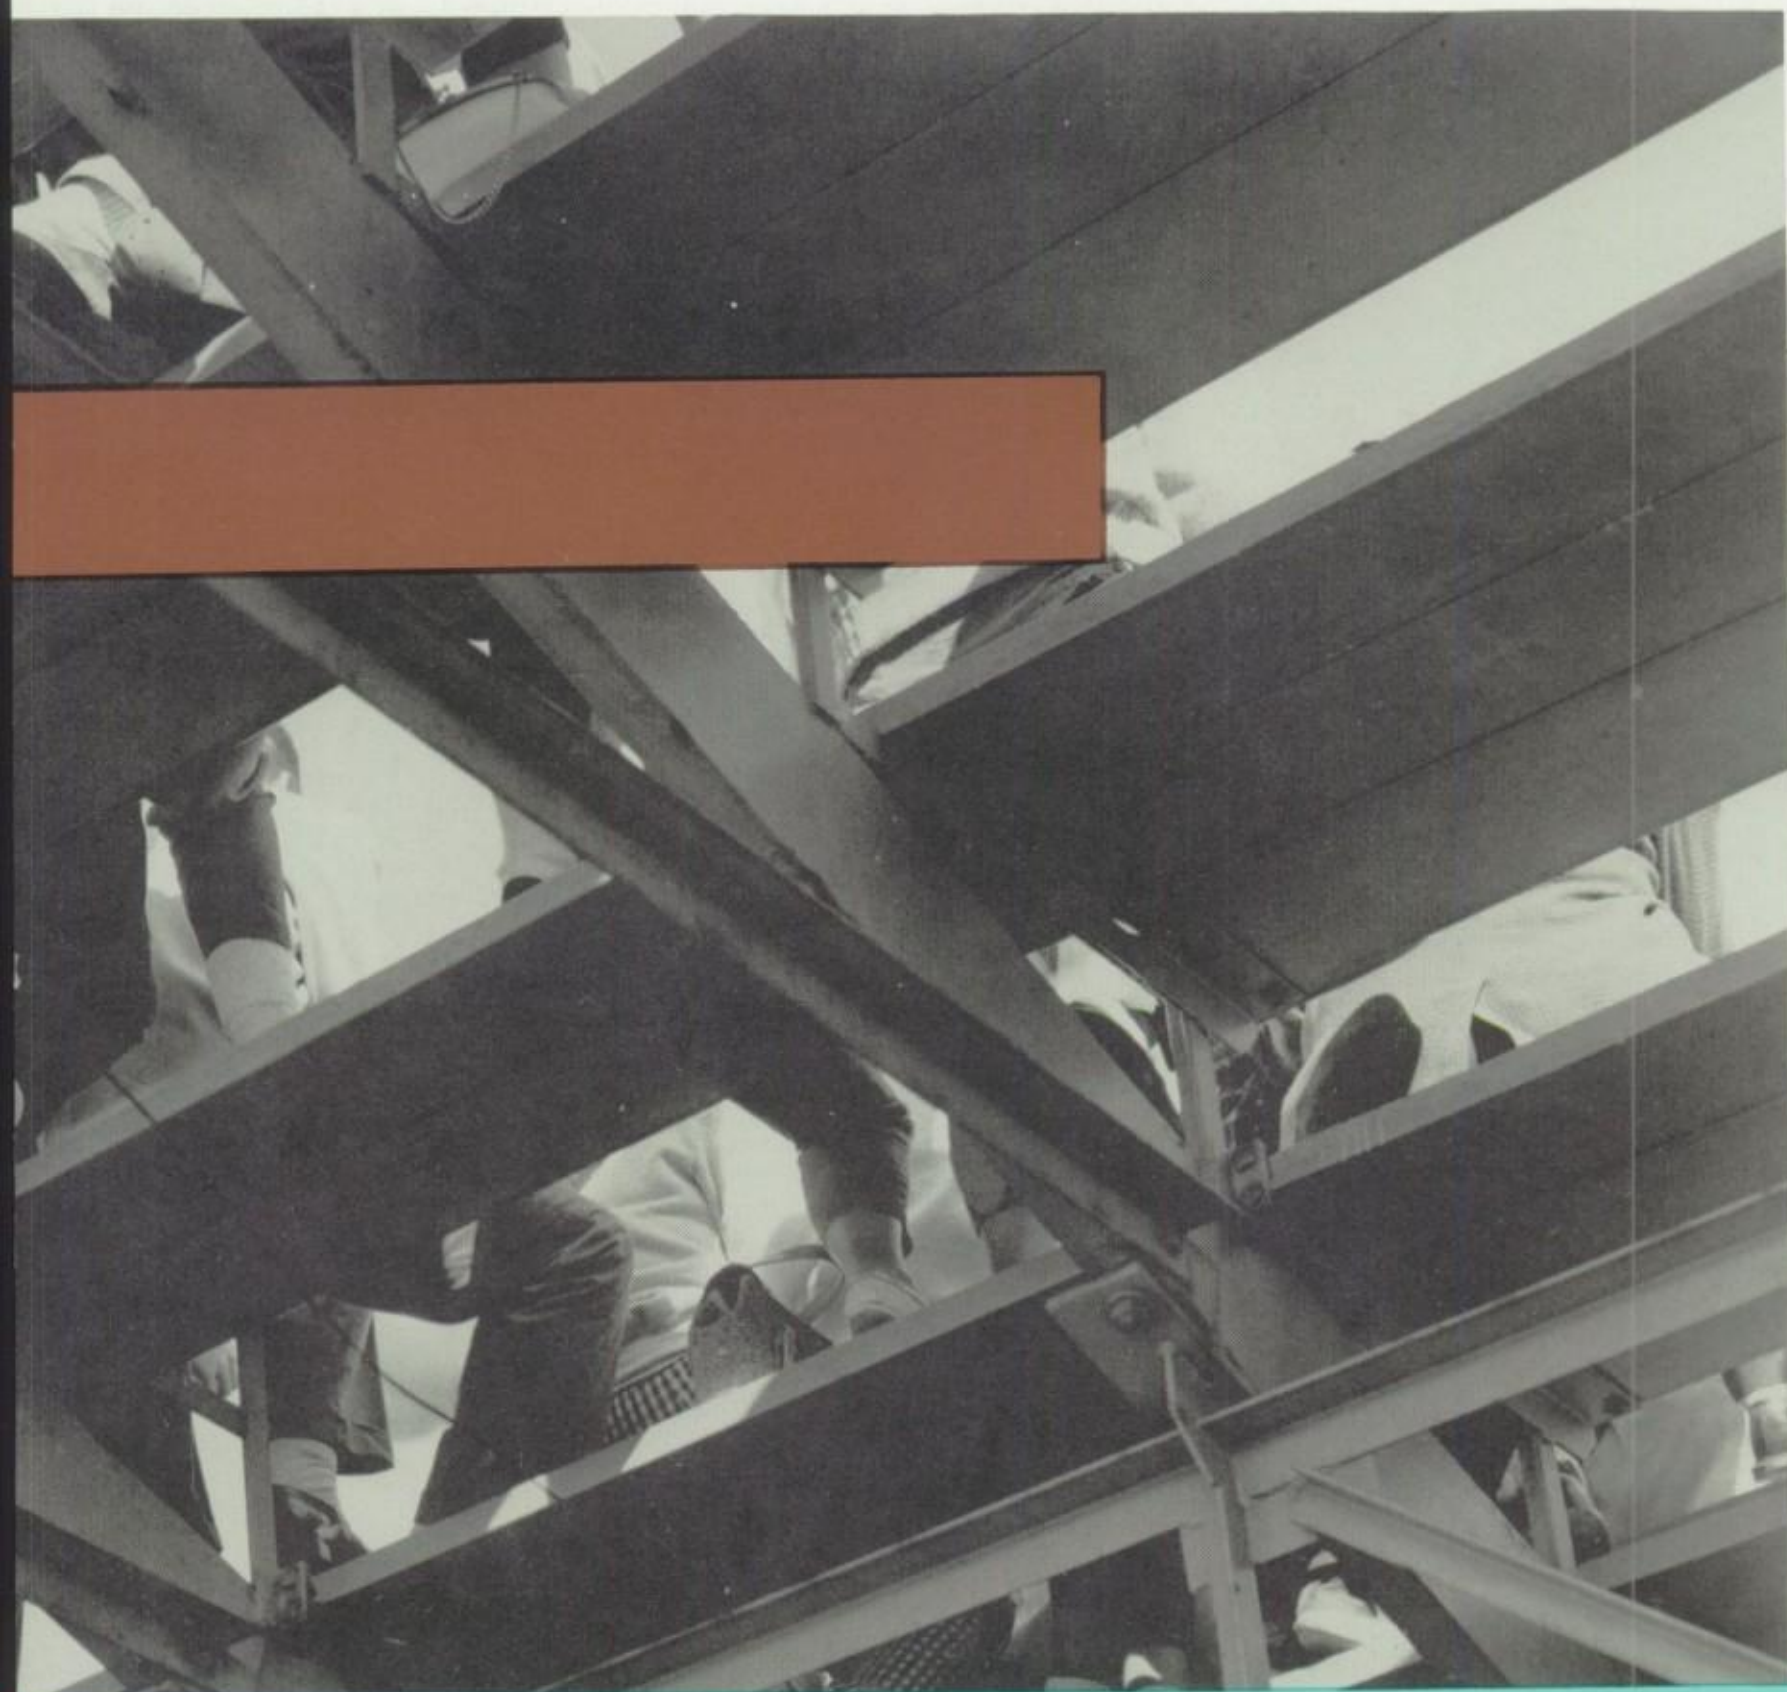

# FALL

*In the fall,  
classes took shape,  
cross-country boomed,  
. . . football was played  
and Homecoming wound  
up the season  
with a bang,  
a band, and a  
bonfire.*

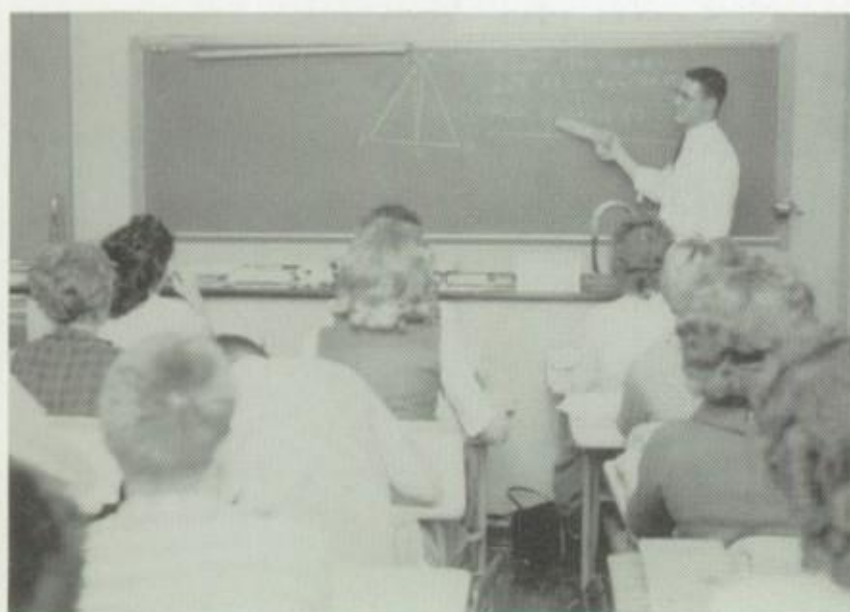

# SCIENCE AND MATHEMATICS

This is the age of advancement, one in which mathematics and science are principal subjects of foremost importance. To meet the need for this knowledge, our curriculum offers math and science courses on all levels. General math and biology are useful to students wanting to use math and science in personal and home activities, and algebra and chemistry present further work in this area. Senior courses, including advanced biology, advanced chemistry, college math, analytic geometry, and modern math, are offered to those who are planning to attend a college or university.

Miss Kurz directs experiment in advanced chemistry.

Mr. Brant teaches sophomores theorems about triangles in geometry.

Under the direction of Mrs. Staveness, students learn about paramecia in lake water.

The use of the over-head projector helps Mr. Rippey teach his advanced math class.

Mr. Gilmore explains the jet stream to the geo-space studies class.

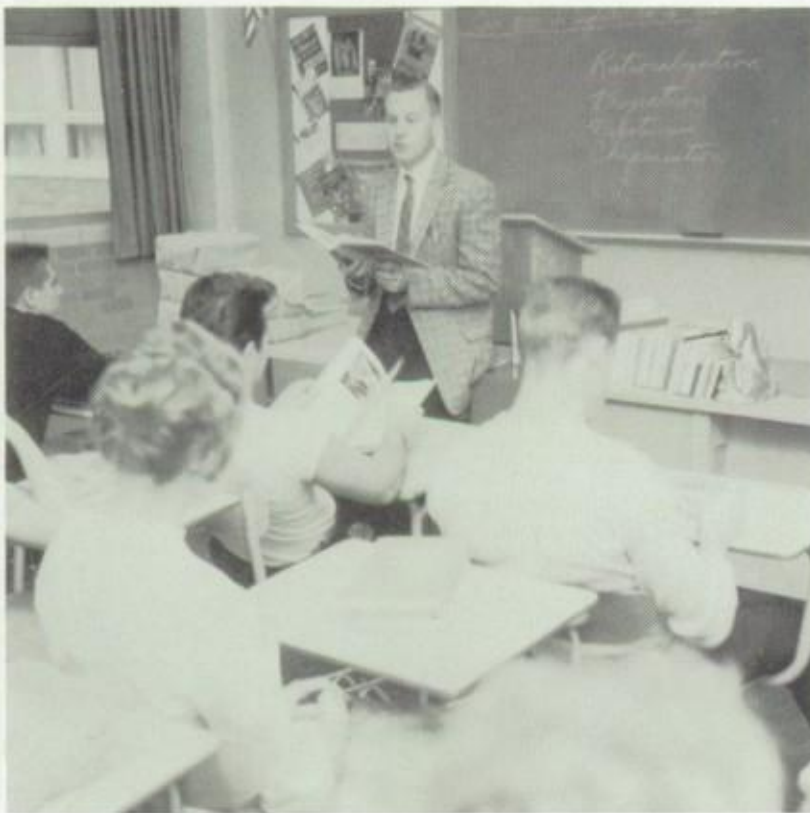

Our foreign exchange student, Gunter Haag, discusses modern Germany with a classmate.

Mr. Finkle emphasizes a point in American Government.

A student of sociology gives a lecture on group behavior.

## SOCIAL SCIENCES

The study of our world from its simple beginnings of civilization to the complex system of our own American government is only a part of our extensive social studies program. This election year has brought exceeding interest in the government and the process of choosing our leaders. Modern history, world history, and American history are courses designed to show the student the story behind our world of today. Attempts to delve into the problems of man and his society are made by the sociology and psychology classes. The sciences of astronomy, meteorology, geology, and physical geography are presented with the related social and economic problems in our new geo-space studies course.

Psychology students discuss personal and social motivations.

Mr. Meyer relates interesting facts about colonial development in American history.

# LANGUAGE ARTS

It is the purpose of the language arts to teach students to communicate properly and distinctively, to express their ideas accurately and imaginatively, and to develop mature minds.

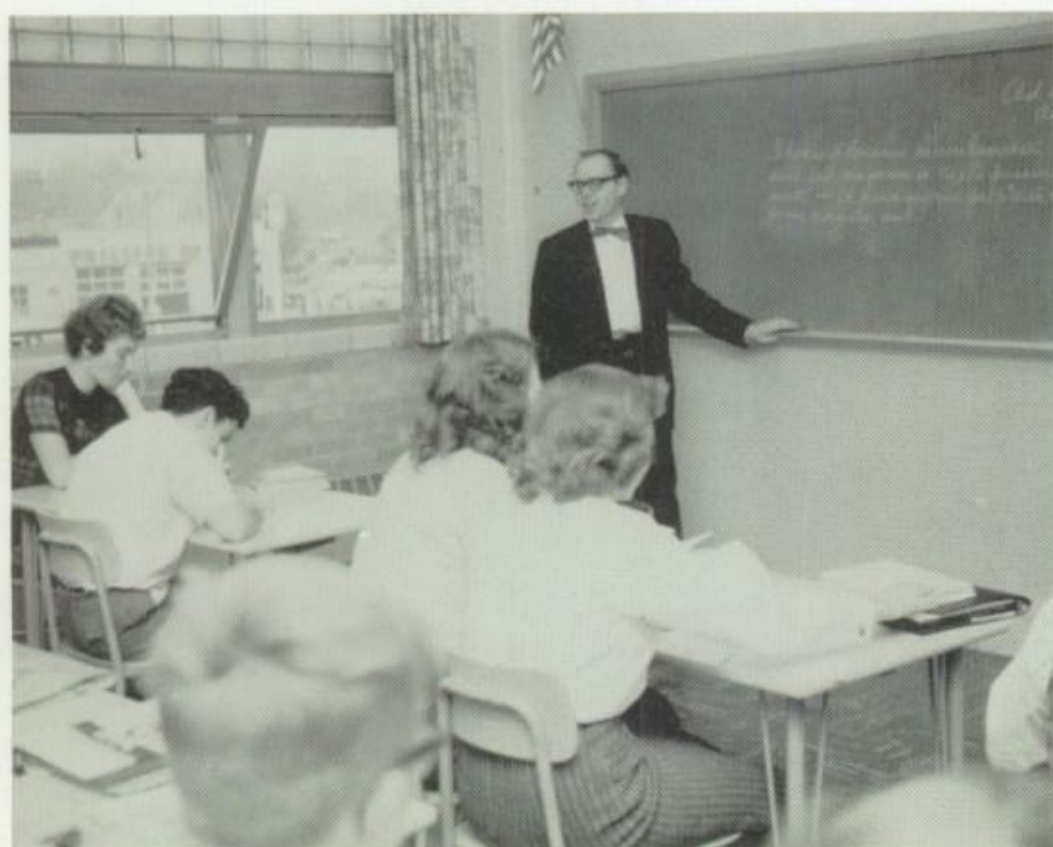

The study of English and the foreign languages helps students to understand and appreciate literature, to build a larger vocabulary, and to gain a better understanding of the structure of language.

Speech classes give students practice in public speaking, discussion, oral interpretation, and argumentation.

The language arts taught at Evergreen Park High School are English, French, Spanish, German, Latin, and the various speech courses.

Mrs. Rodie answers questions concerning an English IV assignment.

A classical Latin passage is explained by Mr. Hires to his Latin II class.

Barbara Wendling makes a speech as Mrs. Brown listens.

A portable language laboratory is an aid to Mrs. Bright's Spanish class.

Students further their knowledge through supplementary German books.

Typing is an essential skill for future business workers.

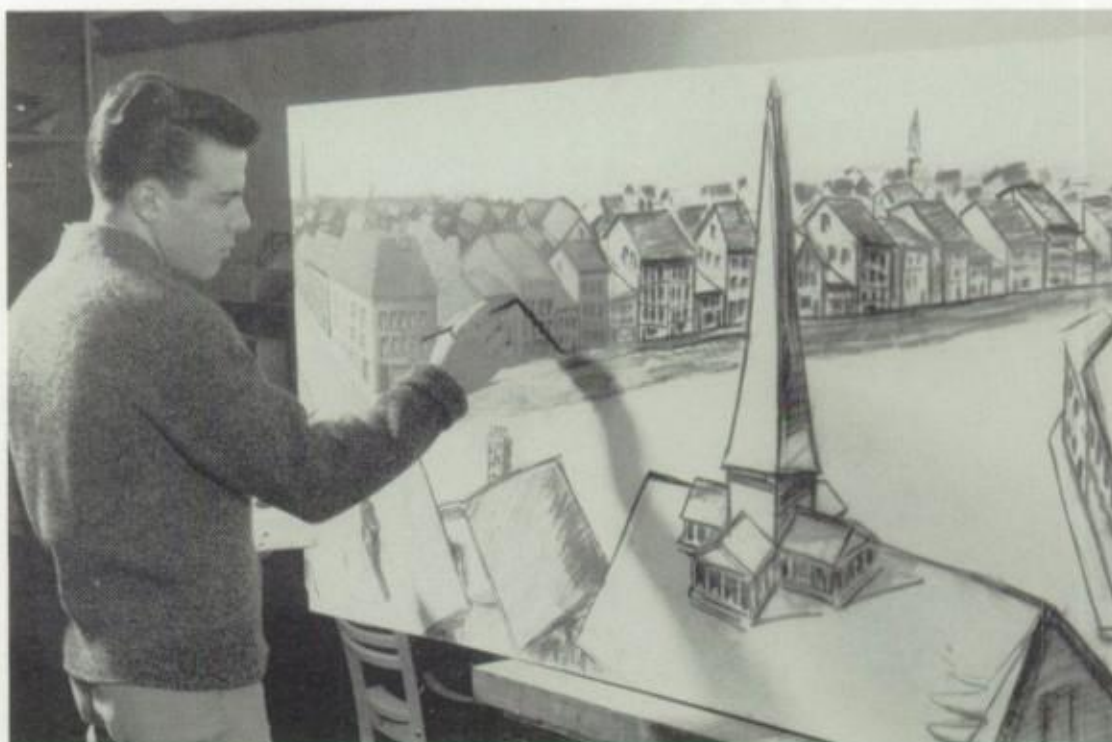

These future homemakers are learning the basics of cooking.

## PRACTICAL COURSES

The practical courses offered at Evergreen Park High School give a student opportunities to use his mind in guiding his hands.

These courses include business classes, which supply the necessary skills for beginning typists, advanced business majors, future office workers, and shop, which gives boys of all classes the ability to produce creative and useful items. The driver education program, using both "behind the wheel" and "behind the book" instruction, and home economics, training girls in the basic arts of running a home, are also included in our program for modern living.

Frank Macaluso finishes a mural of Boston for class project.

Mr. King demonstrates a lathe machine in shop class.

Driving proves to be an exciting as well as an educational experience for all students.

The members of the Mustang Varsity Band and Mr. Oberto, the director, constantly try to make their group the best in Illinois. Long hours of practice and careful selection of new members help to insure this. Every varsity member has advanced through the Cadet and Colt Bands. These beginning and intermediate bands require only interest and some ability.

During half-time performances at football games, the band marched in various formations. These included band instruments and symbols of well-known American band leaders. At the Homecoming, the band honored the Queen with the formation of a crown complete with jewels and the Mustangs with the "M", then greeted the opposing team with a "Hi".

In addition to these popular entertainments, the band provided music lovers with an outstanding display of classical music during the Annual Winter and Spring Concerts.

Mr. James E. Oberto, director of our school band, at the Winter Concert.

During the spring of 1960, our band enjoyed a five-day trip through Colorado, stopping at Pikes Peak, Denver Air Force Academy, Denver University, and Colorado Springs. Below is a picture of the band at Seven Falls.

# PHYSICAL EDUCATION FOR SPORTSMANSHIP AND COORDINATION

In gym class, boys learn the fundamentals and techniques of the rugged sport of boxing.

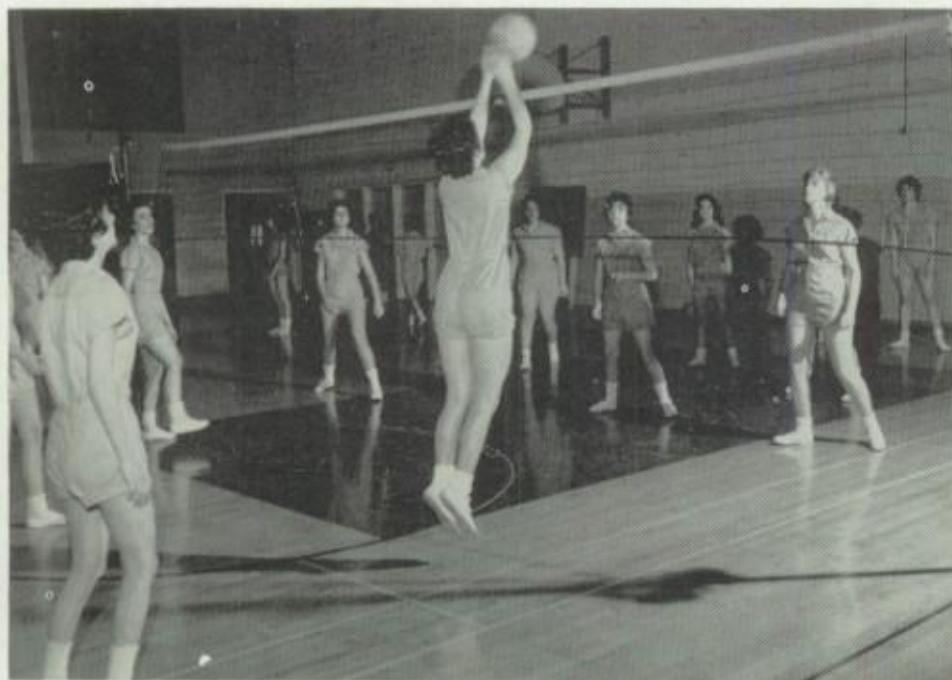

The parallel bars help students develop arm muscles.

Sophomore boys test strength and stamina in the strenuous competition of tug-o-war.

Through the many varied activities of the physical education department all students at Evergreen Park can find an opportunity to develop their accuracy and form in play, gain knowledge of rules, and practice good sportsmanship. Coordination of the mind and body is stressed in the fast-moving games. All students take part in the over-all program of activities and if they find some they especially enjoy, they may participate further in the after-school intramural program.

This fall the student body assembled for four outstanding programs. The first, sponsored by the Student Council, was held in the auditorium and was a presentation of the student citizenship film, "Youth on the Go." The second assembly featured Dr. Daniel Q. Posin, noted astrophysicist, who delivered a very interesting lecture on outer space. In November, the Student Council sponsored another assembly where Mr. Theodore F. Lownik, past member and president of the school board spoke about Veterans' Day. At this same assembly Gail Sue Janisch, Student Council treasurer, led a panel discussion on student citizenship. A few days prior to Thanksgiving the well-known lecturer Dr. Carl Winters came to Evergreen and spoke about his world travels. Everyone agreed that these assemblies were among the best ever held.

On November 18 and 19, the auditorium lights dimmed and the curtain opened on the fall play, "The Family Nobody Wanted." This warm story of a couple and their adopted children was skillfully portrayed by the cast under the direction of Mrs. Brown.

# VARSITY FOOTBALL

Although the Mustang's season record of two wins and six losses does not look very impressive, the Mustang gridders obtained a distinction which no other conference team was able to obtain during the 1960 football season. The Mustangs were the first team to score a point against the conference Champion, Carl Sandburg, and the only team to defeat them. The first victory came with a safety when Dan Mitchell and Jack Slowinski caught an Eagle back behind the goal line on the opening kickoff. The next Mustang score came when Steve Rafac took a pitch-out from Russ Appleton on an 8 yard jaunt around right end. Much credit has to be given to the Mustang defense, Millar, Surdyk, Slowinski, Zikmund and many others, who stopped the Eagles twice inside the 10 yard line. The only other victory came when Evergreen routed Bremen by the score of 27 to 6.

Besides the Sandburg victory there

was one other high point in the 1960 season, this came when Rich Millar, 6 foot 3 inch, 230 pound tackle received All-Conference honors at offensive tackle and defensive end positions. Mustangs who received honorable mention on the 1960 All-Conference team are Bill Yukich, Ron Surdyk, Bill Zikmund, Tom Heniff, Steve Rafac, and Ted Alberts. Mustang halfback Steve Rafac was voted the most valuable player by his teammates for the 1960 football season. Steve put in a fine season and was the spearhead of the Mustang offense.

Looking ahead to 1961, the varsity team looks very promising. First string varsity players returning are Jerry Crawford, Denis Pinsonneault, Jack Slowinski, Phil Erdahl, Mike Trudelle and Russ Appleton. Also, the return of Bill Berger, who broke his leg in the second week of practice, should add to the Mustang cause.

# STUDENTS PREPARE FOR HOMECOMING

The Spanish Club created a clever window display showing Marty Mustang victorious at the Homecoming game.

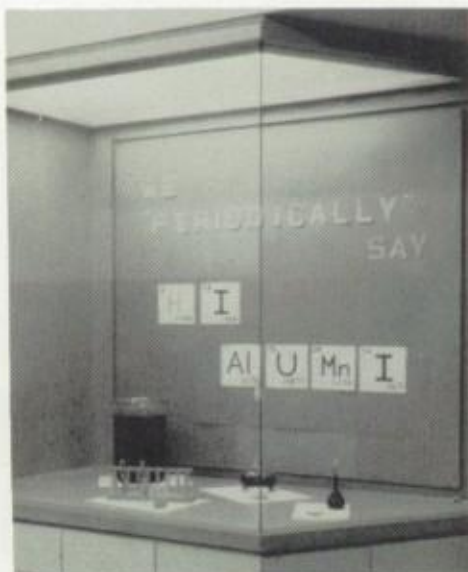

The windows of Evergreen Park High School read: "Homecoming — Nov. 5 — Welcome — Alumni."

The fifth annual Homecoming Football Festival was a great success due to the extensive and tireless planning of the Student Council. The many and varied responsibilities entailed in presenting the festival were divided and assigned to the different clubs. The Pep Club was responsible for the Homecoming Dance; the S.G.C. for the Alumni Tea; the Key Club and Honor "E" Club for the bonfire; the G.A.A. for the pep assembly; and a few smaller clubs for lesser activities.

The candidates for Homecoming Queen are elected by the football team. Students chose the Queen from these nominees.

# HOMECOMING BONFIRE-SUCCESS; GAME . .

School-spirited students are silhouetted against the victory bonfire.

A victory bonfire, held the night before the Homecoming game, has become traditional at Evergreen Park High School. So again this year students gathered around our fire to cheer, sing, and arouse interest in the following Homecoming activities.

The defeat of the Mustang Team in Saturday's football game was a tragedy which dampened our enthusiasm. Even though the team fought well and played hard the powerful Reavis Rams could not be defeated. The disappointment was great, but our admiration and respect for the team did not waver.

The halftime entertainment provided by the Evergreen Marching Band was excellent. The queen and her court, of course, occupied a place of honor during the game and ceremonies.

# LOIS HUESS REIGNS OVER FESTIVITIES

Queen Lois shows her excitement with a glowing smile.

The "Midnight Men" got everyone into the swing of things.

Lois Heuss, chosen by the student body to be the 1960 Homecoming Queen, reigned over the festivities of the evening. The music for the occasion was supplied by the "Midnight Men." Completely changed into a dazzling ballroom was our gym. Many faces, both new and old, could be seen beaming with happiness at this annual affair. This was a time to remember and a time for remembering. Above all, it was a time when school spirit was evident in the crisp November air. It was Homecoming!

The Queen's court stood in anticipation of the grand march.

# STUDENT COUNCIL

The highest honor that a student may receive from his homeroom is to be chosen as representative to the Student Council. The homeroom selects the person they feel is best fitted to contribute ideas and good judgement in the promotion of the school. These students work together as a group and on committees to coordinate the extracurricular program of the school.

The Student Council with the help of the sponsors tries to develop self-control, self-reliance, and leadership in the students who participate in the activities provided by our school.

The Student Council is the means by which the students have a voice in the running of their school. It can be assured that the Council members do an excellent job at Evergreen Park High School in carrying out the many jobs connected with student government.

Senior girls line up, ready to greet parents at Open House.

The Senior Girls' Council, under its new sponsor, Miss Jean Morris, has again shown to our school what the true meaning of service is. During the past year they were in charge of the Alumni Koffee Klatch at Homecoming; they collected clothes for poor children; and they ushered our slightly confused parents at Open House.

The Senior Girls' Council is open to any senior girl who has a "C" average and a desire to serve the school.

During the year the Key Club sponsored several pep rallies and the Homecoming bonfire, which was a large success. Two car washes, several taffy apple sales, and the annual Key Club Kapers dance were among the major fund raising projects of the club. The money from these projects is used to support the Scholarship Fund, which is a money grant for deserving seniors who plan to go to college, and the Foster Parents Plan, which supports a needy child for one year.

# VARSITY WRESTLING

The Mustang varsity grapplers have again had a very fine season of 13 wins, 2 losses, and 1 tie.

The most outstanding wrestlers proved to be Tom Heniff and Rich Engel, at 120 and 138 lbs. respectively, both of whom placed 3rd in the state tournament. Heniff was undefeated all season, named on the conference first team, and placed 1st in both the district and sectional tournaments. Engel has also been named to the conference first team, and also 1st place in the district and sectional tournaments.

Warren Long at 95, Bob Griffith at 103, and Wayne Rife at 145, all earned berths on the conference second team. Rick Korthase took 3rd place in the districts but lost a close match at sectionals. Wayne Rife, Doug Duimovich, and Warren Long placed 4th in districts with Warren Long returning at sectionals and again placing 4th.

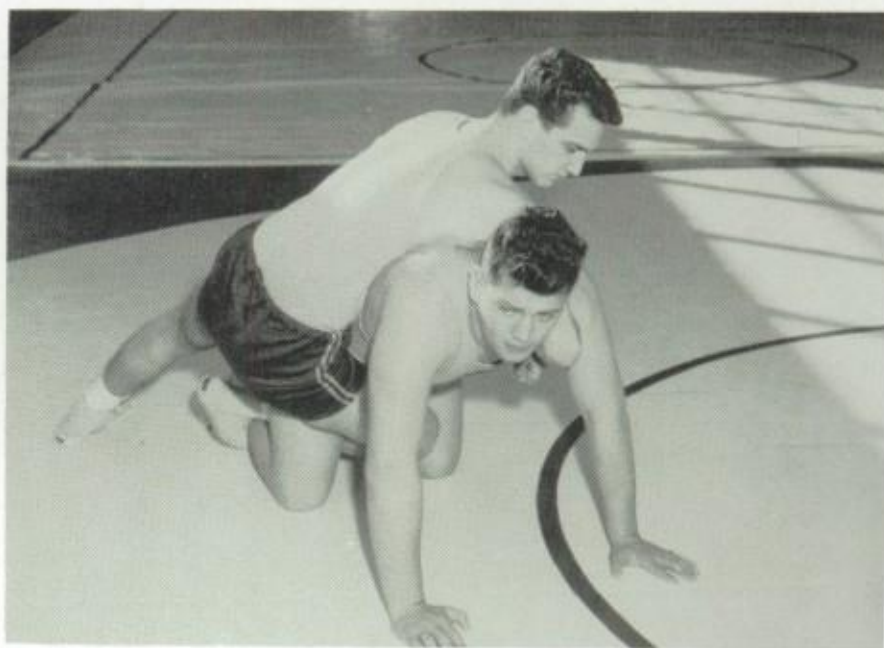

A great loss occurred in the Reavis match when Tony Miani was injured. He was previously undefeated and heading for a very fine season. He was replaced by Steve Hester who also did a fine job.

Next year the varsity is expected to do well with 6 returning lettermen and a strong sophomore team coming up. The team will definitely be hurt, however, by the loss of seniors Tom Heniff, Doug Duimovich, Tony Miani, Frank Laisch, Rich Millar, and Jerry and Rich Engel.

# TRACKMEN PLACE THIRD

The 1960 track season was highlighted by outstanding performances from Bill Trench, Rich Engel and the mile relay team.

Bill Trench placed first in the 100 and 220 yard dashes at the conference meet. He also captured high scoring honors with 98 points and was elected captain and Most Valuable Player by his teammates. Coach Megson will have a hard time replacing this speedster.

Rich Engel came through with a first place conference medal in the 440 yard run. He finished third in the district, qualifying him for the state meet. He also helped the mile relay team to its second straight conference championship and a third in the district.

Other commendable performances at the conference meet were turned in by Cliff Curley who placed third in the pole vault and Mike Brashinger who finished fourth in the 100 yard dash. These two juniors will be back to form the nucleus of the '61 team.

# SOPHOMORES TAKE

The varsity baseball team finished second in conference with a 13-5 record, while the sophomores were the conference champions with a 9-4 record. The varsity team, coached by Mr. Stelzer, had many thrilling moments as they won 10 of their 18 games by one run.

The Mustangs' successful season can be attributed primarily to their fine pitching staff, which consisted of Julian Freund, Tom McIlrath, Tom Mrozek, and Tony Poat. The Mustangs also had some outstanding sluggers in Tom Tripton, who was all-conference and hit .405, Jim McInerney, Steve Rafac, and Bob Russo, all of whom hit over .300. John Lepore hit .281 whereas Ron Surdyk had a three year average of .280.

The sophomores, coached by Mr. Jenkins, also had two top hitters in Bill Berger and George Wolf, while Ken Jorgensen was the outstanding hurler of the sophomores in their quest for the conference championship.

Other courses include typing, shorthand, creative writing, millinery, sewing, and tailoring.

# NATIONAL HONOR SOCIETY ACTIVE IN SCHOOL

The greatest privilege and honor a student can receive at Evergreen Park High School is to be elected to the National Honor Society. Character, scholarship, leadership, and service are qualities required for membership.

Every March, juniors and seniors chosen by the faculty are formally inducted into the Society in an impressive candlelight ceremony. The new members are then honored by a tea the following Sunday.

Among the activities sponsored by the National Honor Society are a Chicago Symphony Orchestra pop concert, a pep assembly, and "dress-up day." The Society is also responsible for the induction ceremonies and proceedings.

The National Honor Society officers are the following: SEATED: Walter Ricker, Vice-President; Bob Kula, President. STANDING: Linda Levine, Historian; Sharon Jansen, Secretary; Eileen Bregin, Treasurer.

The members lend a helping hand at Homecoming. They were responsible for invitations sent to the alumni.

# INDUCTION OF 1960 MEMBERS

The National Honor Society induction is one of the most beautiful and significant ceremonies of the school year. The entire student body is assembled in the gym, as the eligible persons anxiously await the roll call of new members. Students are never told beforehand of their election by the faculty. They are chosen on the basis of character, scholarship, leadership, and service. It is, indeed, the greatest honor a student can achieve in high school.

# PROM GOERS ENJOY

The students received bids as they entered the ballroom.

While some danced, others talked of the thrills of the prom.

Preparations began for the Junior-Senior Prom months in advance. The Junior class handled concessions at athletic events and sponsored Activity Night to raise money.

As the big evening drew near, tuxedos were rented and formals bought. But most important, the candidates for Prom King were chosen from the Senior boys.

And so on May 27 the wonderful moment arrived that everyone had been waiting for.

The theme "Younger than Springtime" was carried through when Dick Elliot's orchestra played the music of the same name as the King's Court entered the ballroom.

Welcome to the 1960 Junior-Senior Prom.

# AN UNFORGETTABLE EVENING

The Prom King nominees and their dates were B. Trench and J. Goul, D. Turner and C. Kuzek, G. Nies and N. Korbar, T. McIlrath and C. Freudenberg, J. Lepore and S. Dorl.

Gary Nies was crowned Prom King as his queen Nancy Korbar looked on.

Refreshments were served at one end of the ballroom.

The time seemed to fly by.

# GRADUATES OF 1960 BID

Seniors gather for last minute conversations.

C. Packer strikes the first chords of "Pomp and Circumstance."

The graduates file in, escorted by the Junior class officers.

For the Class of 1960, the night of June 14 marked the end of four memory-filled years. For some of them, Graduation was the end of their formal preparation for life; for others, it was another milestone in a continuing educational career.

The long awaited ceremony began as the first strains of the Prelude drifted to the ears of the white capped and gowned seniors and affected them with an overwhelming sense of solemnity. Gravely they entered the parent-filled gymnasium, advancing in measured tread to the traditionally sedate chords of "Pomp and Circumstance." They listened together to the addresses of their class speakers, conscious of doing of all these things as a class, for the last time. Then as the last graduate proudly accepted his diploma, the activities of four years were officially only memories and they bade farewell to Evergreen Park High.

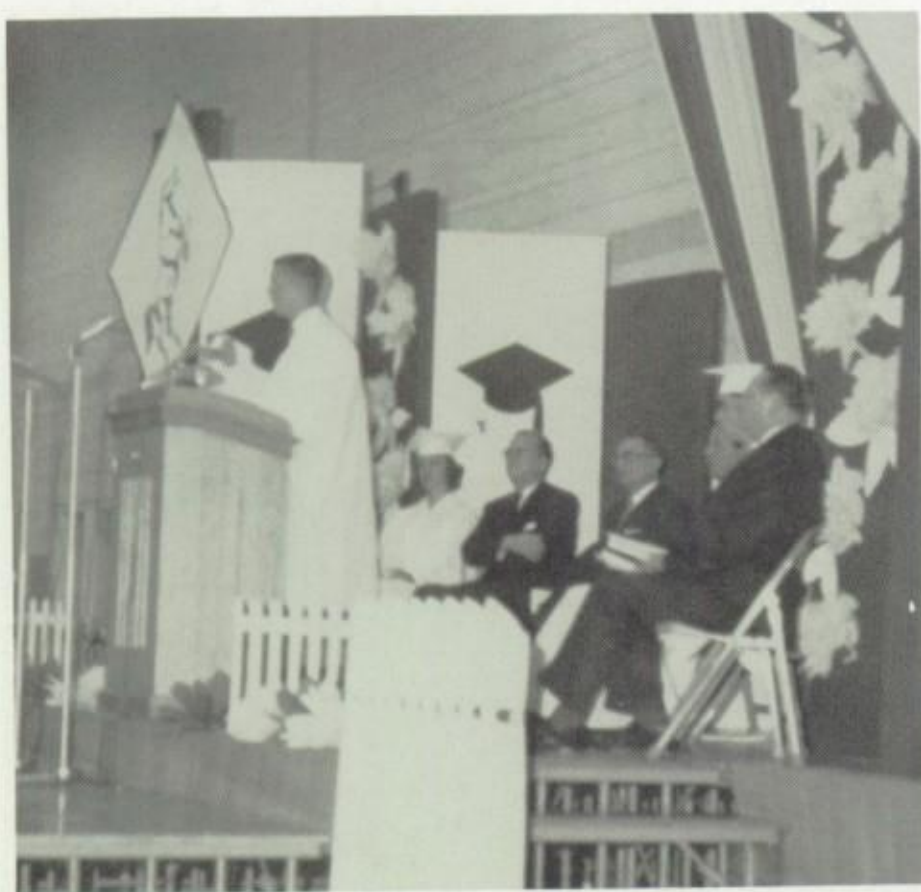

The assembly opens with the pledge led by Onnette LaRoy.

# FAREWELL TO EVERGREEN HIGH
